

COLOSSAL 12V FRENCH DOUBLE DOOR REFRIGERATOR

The Sabre "Colossal" 16 cubic ft/12 volt refrigerator offers all the comforts of home. Its French Doors provide a beautiful aesthetic and ensure easy accessibility. The Sure-Seal closing mechanism seals tightly to protect your cold storage during travel.

Low Amperage Draw

During start-up and the ~30 minute cool-down phase, amps range from 6.0 to 7.2

Amps drop to 0.1 during closed-door idle time and can reach up to 4.0 to re-cool during maintenance cycle

Frost-Free Freezers

Built to function just like residential appliances, Cannon 12V fridges use turbo cooling and regular defrost cycles to prevent frost build up in the freezer
